

# C.A. 212

To establish an Office of Science and Technology under the  
International Thection

---

## IN THE CITIZEN THECTION

December 5, 2012

The Statutory Thection introduced the following Citizen Action  
on behalf of Mr. ANAYA.

---

## A Citizen Action

To establish an Office of Science and Technology  
under the International Thection and for other  
purposes.

(1) This Citizen Action may be cited as the “Science

and Technology Act” as its common name.

(2) A Ministry of Science and Technology shall be established as part of the International Thection

(3) The Supreme Allied Commander of the Joint Thagian Forces has the authority to appoint a Minister of Science and Technology to his International Council.

(4) The Minister of Science and Technology shall be in charge of the Ministry of Science and Technology’s operations, and has the authority to appoint additional members of the Ministry as he sees fit, under the condition that they are approved by the Commander.

(5) The Ministry of Science and Technology shall be in charge of all things related to Science and Technology related to the United Federation of Thag.

(6) The Ministry can be officially referred to as SciTech should an abbreviated name be preferred.
